

This is message 157/2009 from the Valleys and Vale Neighbourhood Watch sent on 19/11/09. Here is some important information from the Head of Revenue and Benefits at Stroud District Council. Residents in our District have been telephoned by a woman using the name Rachel Green who promised a Council Tax refund of £3000 if the resident paid a fee of £90 and gave their bank details so that the refund can be paid into their account. Similar calls have been made by a male. Police and SDC have made enquiries and found that the phone calls emanate from Spain. If you get such a phone call, it is a scam. Do not under any circumstances disclose any information and hang up immediately. Such calls should be reported to SDC. END
